

## Be a Part of History

### Purchase Your Own Personal Commemorative Brick Paver

A major portion of the funding needed to create the park will be raised by the sale of commemorative brick pavers

These donated personal engraved brick pavers will be used to create the walkway into the memorial park.

Brick pavers are available in three sizes, corresponding to your choice of donations.

Each brick paver can be engraved with your name, a company name, or a dedication.

### All Donations and Pavers are Tax Deductible
